France, Germany, Holland, Italy, Ireland

	All boats
Per animal	50€ / animal
Package per animal Ireland	80€ / animal

In Italy, the cleaning service is obligatory extra if animal is on board.

Dogs and other pets are welcome aboard our boats. Please make sure that your pet has been vaccinated and that you have all the necessary equipment for your pet's life. You won't find it on board, or at your disposal at the base.

Please ensure that your pet does not sleep on the comforters! If you do, we'll have to charge you an additional cleaning fee. Pets are the responsibility of their owners for the duration of the cruise.

Finally, we would like to remind you that in France, when you are transferred by cab, it is compulsory to transport your pet in a cage provided by you. Upon departure, you will be required to pay the "Animal Package".

Pets are not allowed on Linssen boats in Ireland.
